

Rodolfo Gutierrez, MD

Dr. Rodolfo Gutierrez joined The Angeles Clinic and Research Institute, a Cedars Sinai affiliate, after completing Fellowship in the joint University of California, Los Angeles (UCLA)/Cedars-Sinai program. He completed internal medicine residency at the UCLA Olive-View program and received his medical degree at the University of California Davis School of Medicine. Dr Gutierrez has experience in both National Institutes of Health and industry-sponsored research and has been active in studying disparities in access to medical care. His main focus of interest is on head, neck, and cutaneous squamous cell carcinomas as well as development of novel immunotherapeutics.
